

SAUVIGNON BLANC - SÉMILLION 2023

IN THE GLASS: guava, passion fruit, lime, honeydew, gooseberry, grass; dry, fresh & crisp in a style reminiscent of a traditional white Bordeaux.

VINEYARD NOTES

The grapes for this wine are sustainably grown on our Thomas Vineyard – Tightrope Estate on the Naramata Bench & then hand-picked.

WINEMAKER NOTES

The grapes were whole cluster pressed. Fermentation started slowly at low temperatures (12°C) to preserve the aromatics and took 28 days to complete. Post fermentation, the wines were blended to make this wine reminiscent of a traditional Bordeaux blend.
